

Homelessness strategy

consultation events Cambridge City Council

Cambridge City Council is holding four events to listen to your view to help us put together our strategy to deal with homelessness over the next few years.

These events are open to people with direct experience of and thoughts about homelessness, for people who are or have been homeless and for frontline staff at agencies which work with homeless people. Staff are encouraged to accompany clients.

Temporary accommodation

Are hostels, bed and breakfast and other temporary accommodation good enough and available for those who need it?

**The Self Build, 222 Victoria Road, Cambridge CB4 3LG.
Friday 17 October from 10.30 - 12.30**

Homelessness prevention

Is the right help available for people who are at risk of homelessness: from families struggling to pay the rent or mortgage to young people not getting on with their parents, to former rough sleepers who need help managing a tenancy?

**Room 2, The Meadows Centre, 1 St Catherine's Road, Cambridge
CB4 3XJ. Friday 17 October from 14.30 - 16.30**

Access to longer-term housing options

Is there more that can be done to help people access a range of permanent accommodation? Which groups of people need extra help?

**Wintercomfort, Overstream House, Cambridge CB4 1EG.
Tuesday 21 October from 10.30 - 12.30**

Sustaining settled lifestyles and tackling social exclusion

Once you've got accommodation, what help do you need to stay there? What about other aspects of your life like training and employment?

**Montefiore Room, the Michaelhouse Centre, Trinity Street, Cambridge CB2 1SU.
Tuesday 21 October from 14.30 - 16.30**

Space will be limited and there will be some catering, so please get in touch if you are thinking of attending.
