

CAB Client Statistics & Profiling Information  
April 2006 to September 2006  
Sawston Parish, South Cambridgeshire District

**Total Figures for first six months**

Total number of clients seen from Sawston Parish during first 6 months of 2006/07 was about **170**. 107 of these clients were seen at the Sawston Outreach. The rest contacted us by phone, email, letter or came to the Cambridge Newmarket Road Office. **29%** of Sawston based clients suffered either a disability or long term health problem or both. The ratio of male to female clients was **36%/64%**

In total we answered about **662** questions on behalf of Sawston residents.

**Specialist Casework Provision**

In 2006 John Huntingdon Charity funded a specialist debt caseworker to support Sawston clients and gained from a corresponding Benefit Take Up caseworker free of charge. In December of this year the benefit take up worker was upgraded to include complex cases and appeal work reflecting the need of John Huntingdon Clients.

The debt worker (Martin) is funded to handle 13 clients a year and where possible refer additional clients onto other services. Year to date Martin has seen 20 clients from Sawston far exceeding his target. Two of these were referred to the LSC debt workers based at our Cambridge Office, 1 was given basic advice and the rest were taken on as cases by Martin.

In total our debt caseworkers are handling over £23k of priority debts and £182k of non priority debts for Sawston Clients. A total of £205.

Since put in place the Benefit Take Up worker has seen 24 Sawston clients and generated £88,632 of new income. Of the clients seen 14 came to the John Huntingdon outreach, 1 was seen at Addenbrookes, 3 were seen at home and 6 came to our Cambridge Office.
